Res Judicata Estoppel by [Mis]representation

PLEASE TAKE NOTICE: Res judicata precludes a man from avowing the same thing in successive litigations.

☐ Estoppel shuts the mouth of a person and prevents him from making contrary statements, ☐ Estoppel prevents a party from saying two contradictory things at different times. ☐ Res Judicata ousts the jurisdiction of the other court and prevents it from deciding over again a matter already decided upon by a competent court.

Whereas, Plaintiff did establish Bonafied Ownership, the DEFENDANT(s) and UNITED STATES CHRISTIAN CORPORATE MUNICIPALITIES did conspire there and then to Sham the Plaintiff into a forfeit of his private property and constitutional right(s).

Whereas, Plaintiff has suffered Financial Handicap as a result, the Law guarantees a Constitutional and Immediate Relief to give Remedy for said damage(s) affected. The evidence of this case is prima facie; Plaintiff has acted with competent hands to correct this error forthwith: Due Process of Law is a Maxim of Law that shall not be violated nor ignored.

Legal Maxim

A Lien or Claim, under Commercial law, can only be satisfied by One of the following actions:

See Gen. 2-3; Matt 4; Revelation. Law Maxim: "If the Plaintiff does not prove his case, the [De]fendant is [Ab]solved."

10.1. A rebuttal Affidavit of Truth, supported by evidence, point-by-point.

10.2. Payment.

10.3. Agreement.

10.4. Resolution by a jury according to the rules of common law.

☐ In the case of Res Judicata, it is the court that ceases to have jurisdiction. ☐ In Res Judicata, having obtained Adjudication from a competent court, the same matter cannot be agitated again before the same or another court. ☐ In the case of Estoppel, it is the Person who is Estoppel. ☐ In the case Estoppel having made a representation, the person making it is prevented from saying the opposite, (contrary to what He earlier said)

"Where Rights secure by the Federal Constitution are involved, there can be no rule-making [or legislation or litigation for judge-made law or judicial precedent] which would abrogate them".

{Miranda v Arizona, 384 U.S. 436 (1966)}

“Due care” is an important issue, and involves having and maintaining a keen sense of responsibility to recognize the rights of others. This is the social duty of all citizens and natural people, when interacting publicly and with others. In regard to courts of inferior jurisdiction, “if the record does not show upon its face the facts necessary to give jurisdiction, they will be presumed not to have existed.” *Norman v. Zieber*, if any Tribunal (court) finds absence of proof of jurisdiction over a person and subject matter, the case be must dismissed. {*Louisville v. Motley* 2111 US 149, 293 29S. CT 42}.

“The Accuser Bears the Burden of Proof Beyond A Reasonable Doubt”.
